Dear Peter:

Each year, we receive comments and rave reviews about the beauty of our grounds and the quality of our landscaping. Although we know that the credit goes to you and your staff, we graciously take the credit and thank them for the compliments.

You have made our property a showcase and we sincerely appreciate the time and effort that has gone into making it so attractive. You are to be congratulated on your success.

On behalf of myself and the entire staff, ***THANK YOU***. We greatly appreciate the fine job done.

Sincerely,
