Dear Peter,

I feel obligated to comment on the services provided by you and your firm to our organization over the past several years have been outstanding. Your attitude to do a first class job is evident, and you are a pleasure to work with.

I must also complement you on your selection of employees ... who are proficient and are always willing to do what it takes to get the job done.

So Peter, if I can ever assist you in securing other jobs just give my name as a recommendation.

Very truly yours,

David R. Mullaney
